What is AIM?

“AIM” is a group for young people which meets on Fridays during term time. It is run by volunteers and staff at Surrey Chapel. “AIM” is for school years 6 - 9, whilst “AIM Higher” is for those in year 10 and above and is covered by a separate programme.

What do we do?

Each evening is different. The programme includes outings, food, games, time to spend with friends, and often includes a short bible-based talk.

Please take care to check the timings and locations as they do vary quite a bit through the term.
