Surrey Chapel Free Church is a busy independent church, affiliated to the FIEC, located on the edge of Norwich city centre. Our congregation of 220-250 people reflects the changing, growing nature of Norwich as both the hub of the county of Norfolk and a cosmopolitan University city. We aim to embody 'eternal truth for a changing world' through a contemporary Biblical ministry expressed in active Christian love. We are engaged in planting a new congregation in the Broadlands and within the next 18 months it is likely that we will have undertaken a relocation of our premises.
